

CreditUnion1

October 1, 2021

We are excited to announce Credit Union 1 has selected a new Core System — Correlation KeyStone, to help provide you the best possible member experience.

Credit Union 1 is committed to providing you with the best quality technology, products, and services. We are also elevating your digital banking platform at the same time.

The core processing system is the software CU1 uses to maintain all member information related to deposits, loans, debit cards, online banking, every account transaction, business accounts, and more.

With this significant investing in technology, time and commitment, we are working diligently to make the transition as smooth and seamless as possible for you.

As we prepare for this technology update on **October 1, 2021**, it is important that you and your family contact information is updated and current on every account in our system.

Take a moment to verify your contact info through digital banking or call the Contact Center at 800.252.6950
