

Visa® Platinum Credit Card Balance Transfer Request

Complete one transfer request for each outstanding credit card balance you would like to pay off and submit this form to Credit Union 1. Information must be accurate and legible in order to complete the balance transfer. The total value of transfer requests cannot exceed your credit line. The accounts from which you transfer the entire balance will not be automatically closed after the transfer is complete. It is your responsibility to close the account(s), if you choose. Transfers will be performed in the order you list them.
